## Club Spotlights - Super Shooters

The Spring state match on April 20 yielded exciting news for the Super Shooters club! See photo above.

We had two medal winners: Colby Thul and Isaac Somes. Ellie Thul and Isaac Klausmeyer qualified to go to Nationals in June, joining fellow Sedgwick County 4-H members Nate Best and Zachary Holmes.

## Club Spotlights - Andale Jets

The Andale Jets 4-H Club hosted yet another successful annual Easter Egg Hunt at the Andale park! We filled over 2,500 eggs to scatter around the park for kids Pre-K through 5th grade. During the hunt, we also put on a bake sale with lots of yummy homemade treats. It is always so much fun hiding the eggs and then watching the bright smiles shine on the kids' faces when they find them. The Easter Egg Hunt is always a great way for our club to connect with the community and to give back to it as well. Like always, we had a blast! See photo above.

## Summer Volunteers Needed

We need school enrichment educators! If you'd like to occasionally volunteer to deliver fun lessons to youth at summer camps please contact our office!

## Club Spotlights

Club Reporters are encouraged to submit an article about your club to be featured here and on Social Media. Brainstorm and write articles, present them to your officer team, and then send them on to the Extension office.
