BECOME A MASTER GARDENER

WHY JOIN THE PROGRAM?

The Sedgwick County Extension Master Gardener Program is an educational volunteer program sponsored by Kansas State University, K-State Research & Extension, and Sedgwick County. Extension Master Gardeners come from a variety of backgrounds and share a passion for gardening, an enthusiasm for learning, and a commitment to helping others. Master Gardeners receive training in the discipline of horticulture, and after successfully completing training, they will share their time and expertise as volunteers in their community to promote horticultural education.
